RE: OAMR Membership

It is my pleasure to invite you to renew your membership or to become a member of the Oregon Association of Municipal Recordors (OAMR).

OAMR promotes a higher standard for local government Recordors and Clerks through training, leadership, and communications designed to develop outstanding public service. Membership in OAMR provides resources to meet and elevate the professional and educational standards of your position. Benefits of membership include:

- Training and Education – Includes the Annual Academy & Conference, Spring Academy, On-the-Road Workshops, and Northwest Clerks Institute.
- Website – A dynamic resource with links to manuals, surveys, and sample documents.
- Mentoring Program – Provides professional resources and support to new members of the profession and organization.
- Quarterly Newsletter – Contains valuable information and updates, including educational scholarship programs.
- Email Listserv – A valuable tool to receive quick and accurate information on a variety of topics.
- Scholarships - Administers financial aid in the form of scholarships, to OAMR members who otherwise would not be able to take advantage of educational opportunities.
- Networking – Opportunities to meet with your fellow recordors so you can share your knowledge firsthand.

Please visit our website at www.oamr.org for more information about the Association. If you have any questions, feel free to contact me at (503) 368-5627 or by e-mail at: manager@ci.nehalem.or.us. Questions in relation to your existing membership can be directed to our Membership Committee Chairperson, Mary Dibble, MMC, by emailing Mary.Dibble@cityofalbany.net.

Please renew online at www.oamr.org/member-application by January 1, 2017.

Thank you for your continued participation, and I look forward to meeting new members at one of our gatherings soon.

Respectfully,

Dale Shafer
OAMR President
